Term 4 * Week 6 * 08-11-21

From the principal's office.....

God is good! We officially received the keys to our new classrooms and ablutions! Soon we will be moving in! We managed to pay for the entire building project without taking out a loan or an overdraft! All the glory to God, our Provider.

The last term is racing to an end! Children are working hard and teachers are standing behind them to encourage and assist where it is needed. Please give your child positive encouragement, they are already under a lot of pressure to complete their Honour Roll on time.

I have addressed the issue of late coming in the mornings, many times! I really want to urge parents to make an effort to have your children here at 7:30am. When they arrive even just 5 minutes late it creates a stressful atmosphere for the child. According to our School Rules, late comers will receive Demerits. Let's avoid this by being on time! Your cooperation in the matter will be appreciated.

We are really looking forward to 2022 and can't wait to welcome the students back in the new year. I know that plans can change quickly and often, this time of year, parents are transferred or relocate to other towns or just decide to move students to another school. Please be advised that 1 month's written notice is required for Gr 1-7 pupils. The IEB students are enrolled through AEE Online and their requirement is a full term's notice. You will be invoiced for the relevant period if insufficient notice has been given.

Have a blessed week.

Character trait for the week:

Prudent

Proverbs 14:15 "The simple believeth every word, but the prudent man looketh well to his going."

God wants you to have the ability to see what is likely to happen and to give careful thought to acting and planning.

Decisions are often difficult, but if every available fact is weighed and the Holy Spirit consulted, the prudent choice will be made.
