Term 2 * Week 9 * 07-06-21

From the principal's office.....

We have come to the end of a very short yet challenging term. We thank God for His covering over our school and the protection we received. We say thank you that we were able to complete our work in spite of the closure of the school. Thank you Lord for protecting our teachers, students and parents. Thank you for healing and perfect health.

The 3rd term will start on 5 July. It is a longer term of 11 weeks. We pray that the 3rd wave would be over by then and that things can go back to some form of normality.

Our Building project is coming on very well. I am sure when we return after the holidays, we will be surprised at the progress. Continue praying for the project and for the school. This school was established by God and He will send the right people to the school. He knows the plan and we must trust in Him to show us His vision for the school.

The students will have an opportunity to say goodbye to Teachers Marna and Igna when they return for the 3rd term. We will also have an official farewell from the staff's side. On behalf of the Management

Board and parents, I would like to extend a great big thank you to both teachers. Words cannot describe the gratitude we have towards you. **Teacher Igna**, you have been a strong pillar in our school for 10 years. All the love and patience poured out into the students will be surely missed. **Teacher Marna**, your loyalty to the ACE-system and your passion for the students will always be remembered. May God bless you richly in your future endeavours.

Have a blessed week and stay safe.

Dates to remember

Depending on Covid regulations, children will return to school on 5 July.

Character trait for the week:

Determined

Philippians 3:10 "that I may know Him and the power of His resurrection, and may share His sufferings, becoming like Him in his death,"

We must do our best to accomplish God's will regardless of the opposition.

To be determined is an act of will, a purpose in one's heart.

It is a choice we make to be determined for God and His Kingdom.

We need to make our life count in light of eternity.
